

The image displays a GIS Mapping interface for Roswell, Georgia. At the top left, the Roswell Georgia logo is visible, along with the text "GIS Mapping". Below this, there is a "Map Tools" section with a dropdown menu containing "Search Tools", "Map Tools", "Map Contents", and "Advanced Tools". The "Advanced Tools" menu is expanded, showing options like "advanced selection", "export/reports", "buffer selections", "display manager", "notification", and "preferences". To the right of the tools is a "Map Views" section with a "Zoning" dropdown menu. Below the menu, there are tabs for "Base Map", "Zoning", "Water Resources", "Flood Map", "Parks", and "Future Land Use". The main map area shows a residential neighborhood with streets labeled: VICTORIA RIDGE, LAUREN CT., PATTINGHAM DRIVE, CARRIAGE STATION, FARMWORTH LANE, LEASINGWORTH WAY, PARNHAM CIRCLE, VIEW WAY, and COVE. The map is color-coded, with a large red area in the upper right and yellow/orange areas elsewhere. A north arrow is at the top, and a south arrow is at the bottom. A scale bar and zoom controls are at the bottom left.
